BASE FEATURE SET

- **All-in-one design, purpose-built for video collaboration**
  Delivers crystal clear audio and video every time and can be set up in minutes.

- **Delivers Affordable Enterprise Collaboration to Any Size Business**
  Enterprise room conferencing systems at a price that works great for huddle space transformation. The device contains state-of-the-art capabilities, including full HD 1080p video, a 4K camera sensor, and 4K display support.

- **Smart Collaboration**
  Share content and applications wirelessly, using your smart mobile device. H.239 and BFCP offers content interoperability with nearly any video room system. Avaya Workplace delivers the ultimate collaboration experience with lightning fast screen response and lower bandwidth requirements.

- **Next Generation Cloud Capabilities**
  Access and run cloud-based Android® applications and enjoy your choice of cloud-based collaboration tools. Workplace combine the award-winning Avaya Collaboration Unit CU360 with Avaya Spaces™ cloud-based team collaboration service to create a powerful and simple solution for the Home Office as well as Small Offices and any Corporate Huddle Space.

- **Easy to Use & Setup**
  With only two or three cables need to be connected—depending on whether you are using Ethernet or Wi-Fi—installation is a snap. This all-in-one device rests on top of any display, and the integrated video codec, microphones and Bluetooth connectivity means there are no cables on the table. Its remote control includes a full keyboard to further simplify setup and use.
