Simplify your Communications so you can Focus on your Business

Driving revenue, delighting your customers, ensuring your people are productive. Keeping all the plates spinning is challenging enough without the headaches of poor communications. Avaya Cloud Office can fundamentally enhance the way your business communicates with customers, partners and across your organization by simplifying the way you call, chat, meet and collaborate.

Avaya Cloud Office places you, and all your users, in control of their communications, and delivers a unified communications experience that's intuitive to use and accessible from a phone, a browser or any mobile device. From a single interface you'll chat with colleagues, make and receive calls, plan and join meetings, collaborate with screen sharing and video and keep your teams on-task with file sharing, task management and virtual team rooms that let everyone share and stay up-to-date.

If all those capabilities sound like a lot to manage, don't worry - we take care of that for you. This public cloud solution from Avaya makes it easy. We keep your solution updated and secure with the latest releases - you don't need to lift a finger. And Avaya Cloud Office's flexibility makes it easy to expand as your business grows - in people or locations.

Bring your Communications into the 21st Century

Voice is no longer the only way—or even the preferred way—to stay in touch with customers and colleagues. Instead, chat/Instant Messaging (IM), often begins an interaction that may escalate into an audio, video, or content sharing session. The reality is your employees and customers expect more - they want a seamless and intuitive communications

- Avaya Cloud Office provides a single solution for all your communications needs:
- Calling
 - Chat
 - Meetings and Collaboration
 - File and Desktop Sharing
 - Task Management

experience that fits into how they work instead of changing the way they work—helping them stay in touch on their device of choice as they move throughout their day.

Avaya Cloud Office creates a portal for communications, allowing your people to quickly transition to the mode that’s exactly right for them at any moment. One click is all it takes to start a call, join a meeting, contribute to a team chat or share content.

Integrated Meetings Keep it Simple and Reduce your Costs

With Avaya Cloud Office, there’s no need to pay for separate meeting services. You’ll enjoy unlimited audio and video conferencing with up to 500 participants (video conferencing) or 1,000 participants (audio conferencing). Share your screen and files with colleagues, integrate with your existing conference room systems and create impactful webinar experiences for large audiences.

Texting for Business

Texting (SMS) may be the most common way today to engage with someone else. But texting from your personal account may not be appropriate or optimal. It requires sharing your personal number with business contacts and makes it difficult to keep all your business communications in one stream. With Avaya Cloud Office, you get the same experience you’re used to, but all from within your Avaya solution. No mixing up contacts or worrying about personal verses business communications – each kind of contact stays within its domain. And Avaya Cloud Office supports Multimedia Messaging Service (MMS) allowing you to send and receive images, videos and other multimedia content.
